

# INFOSYS PUBLIC SERVICES: MISSION-FOCUSED, INNOVATION-DRIVEN

## Who we are

**Infosys Public Services** (IPS), a U.S.-based Infosys subsidiary, partners with federal agencies to modernize operations and achieve mission-critical goals. We deliver consulting, advanced technology, and digital solutions to transform legacy systems, enable AI-driven capabilities, and enhance citizen services—guided by our CLIFE values: Client Value, Leadership, Integrity, Fairness, and Excellence.

## What we do

We help federal agencies solve complex challenges and achieve mission outcomes by adapting Infosys' global capabilities to public sector needs. Our AI-first, cloud-first, and digital experience solutions drive secure, scalable digital transformation across programs, improving efficiency, service delivery, and long-term value.
